EXPERIENCE

I've been in the profession of creating graphic communication materials for almost 10 years. Employed at several small studios and agencies, I've been able to work on many levels of design and marketing programs. Projects that I've been heavily involved with include: identity, packaging, advertising, collateral, promotions, tradeshow, websites, and illustration.

SKILLS

Expert knowledge and experience of MAC OS 10+, supporting OS software, peripheral equipment, and various applications including: QuarkXpress, InDesign, Illustrator, Photoshop, GoLive, and Acrobat.

WORK HISTORY

2002-Current	Art Director :: Gumas Advertising; San Francisco, CA
2002-2003	Freelance Designer :: Mez Design; Sausalito, CA
2002	Freelance Designer :: StudioMoon; San Francisco, CA
2002	Freelance Designer :: Visuals; San Francisco, CA
